

Working in groups

Facilitator: Marta Trawinska (ISP)

Participants' experiences of negotiating twin transition issues.

Working in groups

Facilitator: Marta Trawinska (ISP)

Participants' experiences of negotiating twin transition issues.

Objective

Enable participants to share and discuss their experiences, focusing on practical challenges, solutions, and collaborative strategies.

Exercise: Experience Exchange

Small Group Discussions: 15 minutes

- What negotiation challenges have you faced in relation to the twin transition?
- Which negotiation strategies have helped achieve positive outcomes?
- What improvements are needed in social dialogue practices to address these issues?

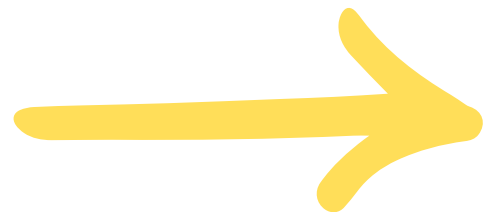

Exercise: Experience Exchange

 Briefly share a key insight or lessons learned (what could be improved in the future):

negotiation challenges

effective negotiation strategies

needed improvements

How social partners are involved in developing Green Deal policies

Working in groups

How social partners are involved in developing Green Deal policies

Objective

Enable participants to share experiences and ideas about the role of social partners in shaping and implementing European Green Deal policies, working together to identify best practices and actionable recommendations.

Exercise: current practices and searching for new ones

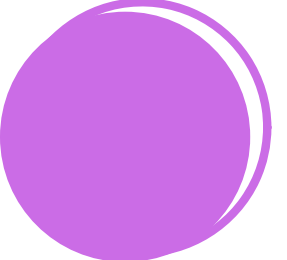

Small Group Discussions: 15 minutes

- What specific actions have social partners taken to support the Green Deal?
- What challenges do social partners in this role?
- How social partners can support just transition and implementation of pro-ecological actions?

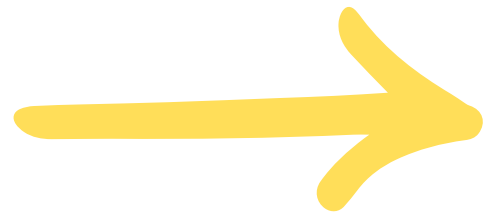

Exercise: current practices and searching for new ones

 Briefly share your findings on:

current practices, actions

challenges in this role

new ideas

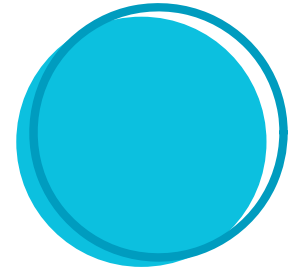

Summary of the meeting and general discussion

 What were the most impactful insights or lessons learned over the past two days?

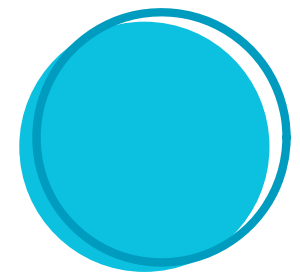

Summary of the meeting and general discussion

What challenges or questions remain regarding the Green Deal and twin transition?

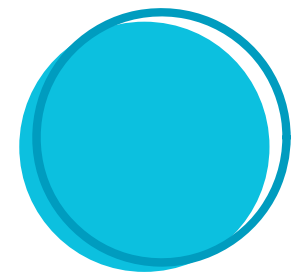

Summary of the meeting and general discussion

What actions or strategies can we take forward in our own roles?

Summary of the meeting and general discussion

What competencies do we need to take action and increase our influence?
